

# Cream & Sugar

(for Morning Coffee)

## Daily Exercises for Guitar

# Cream & Sugar

This book is intended to be a supplement to *Morning Coffee*, a book of basic, fundamental scale and arpeggio exercises meant to be practiced everyday. In order to make the whole book playable in a half hour or so, I had to omit some things that I would have liked to include. This book includes... some of those things.

If you bought this book and have not already purchased *Morning Coffee*, you should do that. *Cream & Sugar* is meant to be added to *Morning Coffee*, if you're feeling it that day. You don't even have to play through all of *Cream & Sugar* in addition to *Morning Coffee* each day, but if you have the time and energy, I would recommend it.

No artificial sweeteners. That stuff is awful for you, and it tastes weird besides.

In just as many pages as *Morning Coffee*, here's what this book includes:

- Minor scales
- Harmonic minor scales
- Melodic minor scales
- Melodic minor (ascending) scales (aka jazz melodic minor)
- Harmonic major scales
- Double harmonic major scales
- Minor scales in broken thirds, fourths, fifths, etc. up to tenths
- Diminished seventh arpeggios
- Augmented arpeggios

As in the previous book, I've indicated what I feel are optimal left-hand fingerings. You're free to do what you like with your right hand, whether you use your fingers or a pick. Really, I would encourage experimenting with a variety of picking schemes.

At the end of the day, limitations in your technique should not prevent you from executing basic musical gestures like linear arpeggios and skipping intervals through a scale. The materials in this book are excellent tools for polishing your technique, so if you're struggling to execute anything in this book, give it the attention it needs!

## Double Harmonic Major Scales

First system of musical notation for Double Harmonic Major Scales, featuring a treble clef, key signature of two flats (B-flat and E-flat), and a common time signature (C). The notation includes a staff with a treble clef and a staff with a bass clef. The treble staff contains a scale starting on G4, and the bass staff contains a scale starting on G3. The scales are written in a 12-measure format, with measures 1-4 ascending, measures 5-8 descending, and measures 9-12 ascending again. The notation includes fingerings (1-4) and a final double bar line.

Below the musical notation is a tablature (TAB) section with three staves. The first staff is labeled 'T' (Treble) and the second staff is labeled 'B' (Bass). The tablature shows the fret numbers for each note in the scale, with fingerings (1-4) indicated above the notes. The scales are written in a 12-measure format, with measures 1-4 ascending, measures 5-8 descending, and measures 9-12 ascending again. The notation includes fingerings (1-4) and a final double bar line.
